

2018 VOLUNTEER CAMPING POLICY:

Camp sites are available for **confirmed volunteers**.

To be eligible for volunteer camping:

- **Must be a confirmed volunteer.**
- A limit of one camp site purchase per volunteer (tickets will be received via email when the purchase is made).
- A camping ticket is required for entry into the campground
- **Friday, July 20, 2018 is the deadline for guaranteed reservations.**
- All spaces will be available on a first come-first served basis.

Procedure to reserve a campsite:

- In the volunteer confirmation packet, there is an order form to purchase extra shirts/tickets/and camp sites. Use this order form to purchase a camp site (\$50 for Tent or RV) or call the Jamboree office.
- Once a site is purchased, you will receive a ticket via email. You must have this ticket to enter the campground.
- Individual sites are not reserved, they are first-come, first-served. You will get to pick your spot once you arrive.

Please keep in mind:

- The number of spaces available are limited. We would like to provide a site for each volunteer who needs a campsite.
- Any sleeping compartment with wheels needs a RV site.
- No refunds unless the volunteer withdraws.
- Shuttle service is provided at the scheduled times (schedule is in the Pocket Guide).
